

## YRT Rotary Table Bearing

### YRTC Rotary Table Bearing-YRTC460

|                          |                |
|--------------------------|----------------|
| Designation              | <b>YRTC460</b> |
| Dimensions [mm]          |                |
| d                        | <b>460</b>     |
| D                        | 600            |
| H                        | 70             |
| H1                       | <b>46</b>      |
| H2                       | 24             |
| C                        | 22             |
| D1                       | 560.9          |
| J                        | 482            |
| J1                       | 580            |
| Inner ring               |                |
| d1                       | 9.3            |
| d2                       | 15             |
| a                        | 8              |
| Qty                      | <b>46</b>      |
| Outer ring               |                |
| d3                       | 9.3            |
| Qty                      | 45             |
| Threaded extraction hole |                |
| G                        | M12            |
| Qty                      | 3              |
| Screw tightening torque  | 34             |
